

Answering machine: You made it through the first round of applications for a job at our company. The interview is on May 10th, so please be on time.

#### #4 Plastic Surgery Clinic/ Morning / Interior

Doctor : Are you saying we're responsible for your missing nose?

Woman: Yes, of course.

Doctor: This has never happened before

How can a nose go missing after an operation?

Nurse Kim, bring me this patient's consent form.

Doctor: You signed here, you signed here, here, here, here, here...

This form says we don't have to pay you anything

Woman: But doctor. I have a job interview tomorrow.

How can I walk into an interview without a nose

Doctor: Certainly, certainly. But there's nothing we can do for you.

And we have other patients waiting outside. So sorry.

Next patient, please.

#### #5 Police Station/ Daytime/ Interior

Policeman: Do you have a photo of your nose?

Woman: It hasn't been long, so I don't have one yet...

Policeman: Then would you draw a picture of your nose here?

Policeman: Careful. You close your eyes, they'll cut your nose off.

Woman: Here.

Policeman: I'll file this, but I can't promise anything.

#### #6 Tree-lined Road/ Daytime/ Outside

Woman: Where is my nose?

Woman: Wait, hi there.

Woman: Don't you know me?

Nose: What? I don't know you. Who is this?

Woman: Aren't you my nose?

If you are my nose, please return to my face.

Nose: Are you crazy?

#### #7 On the bridge on the way home/ Sunset/ Outside

Woman: Where am I going to find my nose?

The interview is tomorrow.

I'm done for. Employment, marriage, it's all over.

#9 Studio Apartment/ Evening/ Interior

Woman: God, Buddha, or... whoever's listening, Allah...

Woman: I don't have a nose right now.

Payments for my nose job start this month.

All I have are debts...

Woman: I need a nose to get to the job interview tomorrow!

How will I survive...

Voice a: Think you can get a man with that face?

Voice b: You're not attractive enough for our company.

Voice ab: Monster, freak, monster, you plastic surgery disaster.

My eyes are burning! You're so ugly. Freaking gross.

Woman: God!

Woman: Help!

Woman: Save me. (x4)

Woman: Hello...

Mommy: How are you? My pretty daughter.

Woman: Mommy...

Mommy: What's going on? What is it? Are you okay?

"Her nose started growing back the next day, little by little."
